H2: What Handmade Canberra shoppers love about our market

P: Here's what some of our shoppers have to say about our Canberra market:

“The Handmade market keeps on getting better. Every time I go, I find something different and amazing. I try to buy only Australian-made products, and as everything at Handmade is made in Oz, I don't have to think twice before I purchase. I'm always telling other Victorians if they're planning a visit to Canberra to check the market dates before they book — it's that good!” — **Karen B**

“Always love heading to Handmade. Great community of passionate makers and creators, and there's always something new and fun to buy. There's a tasty range of food options so you can grab lunch or a quick snack. One of Canberra's and Australia's best markets in my opinion.” — **Todd Wright**

“Our favourite market ever! Amazing selection of quality stall holders where everything is Australian-made. We always shop here for the most

unique gifts. Fantastic weatherproof venue with easy parking.” — **Ellen Bennett**

Driving

Once on Northbourne Ave (the Federal Highway), there are two options:

1. Turn at the Flemington Rd traffic lights, follow the road for about 200 metres, and then turn right into the main entrance (Gate 2). Note: sometimes you can’t turn right here, so please follow any signs if this is the case.

2. Turn at the Stirling Ave traffic lights (near McDonalds and the service station), follow the road for about 100 metres, and then turn left to enter through Gate 4.

Public transport

There's a light rail stop and a bus stop about 700 metres away from the venue. Check out [Transport Canberra](#) to help plan your trip. The light rail stop is called "Phillip Avenue", and the bus stop is called "Federal Hwy opp Phillip Av".

H4: I've got another question that's not listed here. What should I do?
